

# **2015 Bike Rack Challenge ENTRY FORM**

Due by FRIDAY, DECEMBER 19th

**\*\*This sheet must be received by 12/19/14 and approved before construction can begin\*\***

School:

Instructor Name and Contact Information (email and phone):

Grade level(s) of participating students:

**Where do you plan to install your bike rack?** *Where is a bike rack most needed? It might at a school in your district, or it could be at a local business, library or park. Be creative, ambitious and strategic in choosing your location:*

**Have you received approval to install your bike rack in this location?** *If you haven't, please explain your plan for receiving approval and set a deadline:*

**How do you plan to promote your bike rack throughout the school AND community?** *This could be through classroom visits, business visits, newspaper articles, a biking event to promote your bike rack...the list goes on. Be creative, and be sure to connect to both your school and community:*

**How do you plan to spend your money (\$150)? What recycled materials will you use?** Keep in mind your bike rack should include as much recycled material as possible:

Remember to submit this form **BY FRIDAY, DECEMBER 19th** to Ashley Christensen, Regional Safe Routes to School Coordinator, to participate!

Email: [achristensen@uerpc.org](mailto:achristensen@uerpc.org) -or- Fax: 563-382-6311

Thanks for participating! We look forward to your finished masterpiece!

*The 2015 Bike Rack Challenge is supported by the Allamakee County Community Foundation and the Depot Outlet*
